Clean up After Meet

Anyone who has kids in Relays please stay after the meet and help with clean up.

If you are unable to do the position or have any questions about your position please contact me ASAP so I can find another volunteer to fill the position. Some families are signed up for both halves, which is greatly appreciated, and if you are not signed up for a position, and are able to help, please contact me so we can fill you in where needed. Once again I would like to thank all of our volunteers because without you our meets would not run as smoothly as they do. My contact info is dg0216@verizon.net.

Thank you, Debbie Geisler
